our story

A few years ago we visited the city of Foshan, China, famed as the home of Bruce Lee and his master Ye Wen. The famous Buddhist Temple, Foshan Zumiao inspires the ethos and ideals of the restaurants in the city. Here, they have honed the art of pure home cooked vegetarian food.

It is this ethos and culture that inspired us to bring the tastes of Foshan back to Bristol. Our food builds on the idea of Pure Vegetarian Chinese Home Cooking and is based on the Hainan cuisine from Southern China with influences from northern Chinese cuisine.

We are passionate to create food that nourishes both the mind and the body. Innovating with original fresh flavours containing no artificial colours, this is like no other Chinese cuisine in Bristol.

The team at Suyuan wish you a happy and peaceful life nourished with great food.
